**D**O you know the little "Providence?"

It's quite easy to find,  
Just in the High Street, Sandgate;  
Old-fashioned for its kind,  
And quiet too, I guarantee,  
To take your glass in peace;  
Who's Ale is this?  
Why Beer's, I say, of Canterbury fame,  
And don't forget mine Host  
CHARLES RUSSELL is his name.
